CIVIL ENGINEER

## PROFILE

Civil Engineering student with fundamental knowledge in AutoCAD and MSP. Aspiring to explore opportunities in the construction field and contribute effectively to real-world projects.

## PROJECTS

Research on Flexible Pavements | September 2024 – December 2024

- Led the project as a team leader, focusing on sustainable pavement solutions.
- Analyzed material behavior, durability, and environmental impact using lab-based testing.
- Explored the use of Rice Husk Ash as a partial replacement for fine aggregates in flexible pavement design.
- Contributed to technical documentation and final project presentation.

## EDUCATION

JSS Academy Of Technology, Bengaluru (2022 – 2026)

B.E. in Civil Engineering | 6th Semester | CGPA: 8.4

SKCH PU College (2021 – 2022)

12th | Percentage: 86%

Vijaya Bharathi Vidyala (2019 – 2020)

10th | Percentage: 92%

## ADDITIONAL SKILLS

- Time Management
- Problem Solving
- Scheduling
- AutoCAD & MSP (Fundamentals)

## LANGUAGES

English, Kannada, Telugu, Hindi
