EDUCATION

Bachelor of Engineering - BE, Computer Science

JSS Academy of Technical Education, BANGLORE

📅 11/2022 - 05/2026

PROJECTS

Face Recognition Attendance System

📅 11/2024 - 02/2025 📍 Bengaluru, Karnataka

Take Attendance Through Face Scanning

- You can take Real Time Attendance through this model

SUMMARY

Hardworking Student offering part-time work experience and extensive knowledge of core subject matter. Meticulous and detail-oriented with excellent observational, organizational and communication skills.

KEY ACHIEVEMENTS

Team project success

Collaborated with 4 peers to developed Face Recognition Attendance System

Consistent academic excellence

Achieved a 7.8 GPA over 5 semesters.

Coding contest champion

Participated in Hackathon and Secured 4th place in coding competition with 80 groups participants.

SKILLS

C++

C

Python

JAVA

Operating System

Cloud computing

Data Structure & Algorithm

Machine Learning

Computer Networking

Internet Of Things (IoT)

Database Management System

Web Development

COURSES

Infosys Springboard AWS

Infosys Springboard AI Artificial Intelligence with Python
