Education

J.S.S. Academy of Technical Education

Bachelor of Engineering in Information Science, CGPA – 8.16

Bangalore, India

2022–2026

Swargarani School

10th ICSE, 80%

Bangalore, India

2010–2020

Swargarani School & PU college

12th State, 83%

Bangalore, India

2020–2022

Projects

Image caption generating Website:

- Developed a website which leverages a ResNet CNN for robust image feature extraction and a Transformer for sophisticated caption generation, trained on the diverse Flickr8k dataset to produce accurate and contextually relevant image captions.
- Model performance: Achieving **94%** accuracy, the Epoch runner in Google Colab demonstrates outstanding efficiency and precision.
- Demonstrated proficiency in back-end development.

Hobbies

- Attending Technical Events and Summits.
- Participating in Hackathons.
- Reading Technical Blogs.
- Completing courses.
- Coding Projects.
- Exercising and Staying Active.

Skills

Languages: Python, Java, C, SQL, HTML, JS, LaTeX

Technologies: Numpy & pandas, keras, TensorFlow, Flask, Power BI, Tableau, Cisco packet tracer

Tools: Git, MySQL, VS Code, PyCharm, MongoDB, Google Colab

Soft Skills: Adaptability, Communication, Problem-Solving, Teamwork and Collaboration

Certifications

July 26, 2024: Data Structures and Algorithm course in C language||*InfosysSpringboard*

Dec 13, 2024: Attended workshop on CISCO packet tracer ||*CiscoPacketTracerApplication*

Dec 19, 2024: Artificial Intelligence and Machine Learning Training Course||*InfosysSpringboard*

Dec 23, 2024: Networking Basics Course||*Cisco*
