## About Me

I am an ambitious and articulate engineering student with a strong academic foundation and a deep passion for technology-driven innovation. I thrive in dynamic environments where I can apply creative problem-solving, strategic thinking, and effective communication to deliver meaningful outcomes. As a proactive learner and collaborative team player, I am seeking an entry-level opportunity where I can grow continuously, contribute purposefully, and help drive both personal and organizational success. My vision is to build a fulfilling career while being a catalyst for positive change and innovation.

## Education

### J S S Academy of Technical Education, Bengaluru

B.E. in Information Science and Engineering  
Bengaluru, Karnataka

Nov. 2022 – June 2026

**CGPA: 7.86**

## Relevant Coursework

- Data Structures
- Algorithms Analysis
- Operating Systems
- Database Management
- Object-Oriented Programming
- Digital Design and Computer Organization

## Projects

### Spotify Clone — HTML, CSS, JavaScript

- Developed a responsive music streaming platform emulating Spotify's interface and core features.
- Implemented dynamic music player functionality with features like play, pause, skip, and volume control.

### Simon Game — HTML, CSS, JavaScript

- Created an interactive memory game inspired by the classic Simon game with color and sound cues.
- Integrated level progression and score tracking to enhance gameplay experience.

### Amazon Clone — HTML, CSS, JavaScript

- Built a fully functional e-commerce web application replicating Amazon's core features like user login and product listings.
- Developed shopping cart management, product filtering, and responsive design for all devices.

## Technical Skills

- **Languages:** Java, JavaScript, C, Python, HTML, CSS, SQL
- **Frameworks:** Node.js, Express.js, EJS
- **Tools:** Git, GitHub, VS Code
- **Concepts:** Machine Learning, MVC, System Optimization

## Leadership & Extracurricular

### Health Inspector – Health Awareness and First Aid

2020

#### 10th Standard

- Led health campaigns and provided first aid support during school events.
- Educated peers and the community on hygiene and healthy living practices.

### National Service Scheme (NSS) Volunteer

Present

#### JSS Academy of Technical Education, Bangalore

- Contributed to social initiatives and environmental awareness through community service.
- Participated in organic farming and sustainability projects.

### IEEE Member

2024 – Present

- Organized and led technical workshops, enhancing teamwork and communication skills.
