I'm a Bachelor of Engineering student in Information Science with knowledge of Java, HTML, CSS, JavaScript, Python, C, and SQL. I'm currently expanding my skills in full-stack development, particularly the MERN stack. I'm looking for an entry-level tech role where I can apply my skills and grow. I'm interested in both full-stack and backend development as I continue learning and building experience.

## Education

### JSS Academy of Technical Education | Bachelor's Degree

Bengaluru, KA | 2022 - Present

Course: Information Science and Engineering

Cumulative GPA: 8.99/10

### Oceanik Pre-University College | Pre-University (PUC)

Bengaluru, KA | 2020 - 2022

Course: PCMC (Physics, Chemistry, Mathematics, and Computer Science)

Percentage: 87.17%

### Parikrma Center For Learning High School | Secondary Education (SSLC)

Bengaluru, KA | 2019 - 2020

Percentage: 86.24%

## Skills

### Programming Languages:

Java, HTML, CSS, JavaScript, Python (Basics), C (Basics), SQL (Basics)

### Web Development:

HTML, CSS, JavaScript (Front-end), React (MERN stack)

### Back-end Development:

Currently learning Node.js, Express.js, and MongoDB, with plans to build full-stack MERN projects

### Languages:

Kannada, English, Tamil, Hindi

## Projects

### ○ Campus Connect:

10-2024 – 12-2024

- Technologies Used: React.js, Socket.io, Gemini, MongoDB, Node.js, Express.js, HTML, CSS.
- Built a real-time chat platform for anonymous communication between students across different sections and years.
- Allowed users to connect without sign-ups or group creation.
- Supported 200+ concurrent users.
- Integrated Gemini to filter offensive or rude messages.

### ○ Process Priority Manager (Ongoing):

04-2025 – Present

- Developing a tool that allows users to adjust process priorities for optimized resource allocation and system performance.
- Currently working on process scheduling and user control features.

## Soft skills

Effective communication | Active listening | Willingness to learn | Critical thinking | Open-mindedness | Adaptability | Conflict resolution | Negotiating | Project management | Time management | Problem solving
