## EDUCATION

**Bachelor of Engineering (Electronics and communication), | JSSATE Bangalore – 560 060**  
**Pursuing 6<sup>th</sup> SEM | GPA - 8.05**

**2023-Till Now**

**Diploma In Mechanical Engineering | RK Vision PU College Chintamani– 563125**  
**Completed in 2022 | 94%**

**2022**

**SSLC | RK Vision School – 563125**  
**Completed in 2020 | 90.56%**

**2020**

## COURSEWORK / SKILLS

• Basic's C & C++

• Basics of Python

• Software Engineering

## PROJECTS

### Automatic Wiper and Seatbelt Detection and Engine Locking System

**2024**

The automatic wiper system effectively detects rain and activates the wipers to ensure clear visibility. It accurately monitors seat belt usage for all occupants, preventing the vehicle from starting unless seat belts are fastened. Additionally, the system alerts both the driver and passengers if seat belts are not secured, enhancing safety. The development process leveraged skills in C programming.

## TECHNICAL SKILLS

**Languages:** C,C++,java, python.

**Developer Tools:** VS Code, Ardui

### Languages

- Kannada
- English
- Telugu
