FRESHER

PROFILE

I am a third-year Bachelor of Engineering student at JSS Academy of Technical Education. I have a basic understanding of several programming languages, including Java, Python, C, C++, HTML, CSS, and MySQL. I am likely interested in pursuing a career in technology or a related field.

I am committed to continuous learning and am excited to connect with professionals in the tech industry to further develop my skills and knowledge.

My goal is to secure internships or entry-level positions where I can apply my knowledge, gain hands-on experience and learn new skills.
