Tableau

Certifications

- Data Structures And Algorithm 
- Python

Education

2022 – present	Information Science and Engineering, JSSATE Bengaluru Till 5th Sem- 7.84 CGPA
2021 – 2022	12th, KLE Prerana Residential 89.16%
2019 – 2020	10th, BIPS Bagalkot 86.66%

Projects

Calculator

Developed a Java Swing-based calculator with arithmetic and trigonometric functions (addition, subtraction, sine, cosine, etc.). Features an intuitive GUI, efficient event handling, and clean, modular code for extended functionality.

Face Authenticated Voice Assistant For Privacy Protection

I am currently developing a Face Authenticated Voice Assistant for Privacy Protection using JavaScript, HTML, CSS, and Python. The project integrates facial recognition and voice commands to enhance security and user experience.
