ABOUT ME

I am a dedicated and detail-oriented engineering student specializing in Information Science. With hands-on experience as a Production Worker intern, I've developed strong problem-solving skills and the ability to adapt quickly in fast-paced environments. My technical skills include machine learning, data analysis, and software development. I am passionate about using technology to improve efficiency and solve real-world problems. A team player with a positive attitude, I'm eager to continue learning and growing in the tech industry.
