C

Html

Css

Education

Vijaya Composite PU College

Jun 2019 - Jul 2021

12TH/PUC

PUC

Carmel Convent High School

Apr 2019 - May 2019

10TH

10th

J.S.S. ACADEMY OF TECHNICAL EDUCATION BANGALORE

Apr 2022 - Present

ENGINEERING

Projects

JSSATEB

Oct 2024 - Dec 2024

Harnessing Power through footsteps

The concept of generating electrical energy through footsteps using piezoelectric materials and basic electronic components is a significant scope of this project

basic electronics

microcontroller programming

circuit design and simulation

JSSATEB

Aug 2023 - Sep 2023

Train Collision Prevention

The Train Collision Prevention System is a safety-focused project aimed at minimising the risk of train accidents caused by collisions

Problem Solving

Project Management

Team Collaboration

NXT Wave

Nov 2024 - Nov 2024

Static Responsive Website

I built a static responsive website using html and css

HTML

CSS

Bootstrap

Certifications

Princeton Smart Engineers

Dec 2024 - Dec 2024

Full Stack Web Development

Full Stack Web Development Workshop

React.js

Node.js

Visual Studio Code

Nxt wave

Dec 2024 - Dec 2024

UI/UX Workshop
