

SHREYA SHREEVALLI

Karnataka, Bangalore | (9606052039) | shreyashreevalli5904@gmail.com | [LinkedIn](#)

OBJECTIVE

ISE Engineering student skilled in Java, Python, HTML, CSS, JavaScript, MySQL, and DevOps tools. Enthusiastic about Full-Stack Development and DevOps Engineering, with a strong focus on building scalable applications and automating processes.

EDUCATION

JSS Academy Of Technical Education (currently pursuing),

Kengeri Main Road, Bangalore-60

CGPA: 8.68, (Expected Graduation: [2026])

Baldwin Co-Education Extension High School,

Rajarajeshwari Nagar, Bangalore-98

Deeksha Jnana Sweekar PU College,

Kanakpura, Bangalore-92

PROJECTS

Project A: [Ear Recognition Project]

Tools: [Python, OpenCV, Scikit-learn, NumPy, Matplotlib]

- Developed an ear-based biometric recognition system using a custom CNN with a full pipeline for preprocessing, augmentation, dropout, and batch normalization to boost accuracy.

Project B: [EV Energy Consumption Prediction Model]

Tools: [Python, Pandas, Scikit-learn, Matplotlib, Seaborn]

- Developing a machine learning model to predict EV energy consumption using regression algorithms and creating interactive visualizations for battery usage, speed, and distance analysis.

Web Development Projects:

- Online Shopping Website : [Link](#)
- Simple Online Calculator : [Link](#)
- Basic Project : [Link](#)

SKILLS

Programming Languages: C, Java, Python

Web Development: HTML, CSS, JavaScript

Database Systems: MySQL, MongoDB

Data Visualization & BI Tools: Tableau, Power BI

Document Preparation & Markup: LaTeX

Graphic Design: Canva, Adobe

HOBBIES & ACHIEVEMENTS

Hobbies:

- Singing, dancing, painting, and playing instruments.

Achievements: [WINNER AT VARIOUS INTERCOLLEGE FESTS]

- 5th Place, VTU Cultural Fest 2023 (Solo Singing Competition)
- Participant, National Level in the MaRRs spelling bee
- Bronze Medal Winner, District Level Yoga

Languages:

- Proficient in English, Kannada, Hindi

CERTIFICATIONS

- HANDS-ON TUTORIAL ON CISCO PACKET TRACER**
- INFOSYS SPRINGBOARD: DATA STRUCTURES & ALGORITHMS**
- INFOSYS SPRINGBOARD: ARTIFICIAL INTELLIGENCE & MACHINE LEARNING**
- BMS 24 hrs HACKATHON CERTIFICATE**
