

# Vrishank Bhargav

B.Tech Student — Information Science and Engineering

+91 98450 14505  
vrishank.bhargav@gmail.com

## Education

- 2022 – 2026 **B. Tech in Information Science and Engineering**, JSS Academy of Technical Education (VTU), Bengaluru, CGPA: 8.1  
(Expected)  
2020 – 2022 **Class XII (CBSE)**, The Amaatra Academy, Bengaluru, Percentage: 70%  
2019 – 2020 **Class X (CBSE)**, National Public School, Banashankari, Percentage: 87%

## Projects

- Ongoing **Data-Driven AI for Sustainable Farming**  
Developed a multi-agent AI model for sustainable agriculture integrating real-time weather, soil data, and historical trends to aid precision farming.
- Completed **Obstacle Avoidance Car**  
Built a Bluetooth-controlled car using Arduino Uno with real-time obstacle detection and autonomous navigation.
- Expected **Toxicity Scanner**  
Building an AI scanner to assess chemical toxicity in product ingredients using ML-based classification.
- Completed **Automated Web App Login Testing**  
Developed login testing system using Selenium WebDriver and Java to automate user authentication tests.

## Internship Experience

- Mar – Jun 2025 **Web Development Intern**, Unboxedly  
Contributed to a membership plugin, improving user access, collaborating on UI/UX design, and optimizing plugin performance.

## Skills

- Languages C, Python, Java, PHP  
Web HTML, CSS, JavaScript  
Data Power BI, Tableau, NumPy, Pandas  
Tools LaTeX (Reports), Git, Selenium  
Soft Skills Problem Solving, Communication, Teamwork, Leadership

## Certifications

- DSA Data Structures and Algorithms — Infosys Springboard  
AI Artificial Intelligence — Infosys Springboard

## Extra-Curricular Activities

- Head of Marketing Samyog Fest — Managed marketing and sports coordination.  
Secretary MUN Club — Led discussions and event organization.  
Team Member Tachyon F-4 Car Project — Secured sponsorships for national competition.
