EDUCATION

JSS Academy of Technical Education Specialised in Information Science and Engineering	**CGPA:8.9** **2022-Present**
SDM PU College,Honnavar	**PCMC:81.16%** **2020-2022**
Sharavati Highschool Hosad,Honnavar	**NCERT-93.12%** **2017-2020**

TECHNICAL SKILLS

Programming Language	Java, C, Python(Basics)
Web Technologies	HTML, CSS, JavaScript, Express JS, Node JS, React JS
IT Constructs	DSA, OOPS, DBMS, OS, CN
Database Management	MySQL, MongoDB
Developer Tools	GitHub, VS Code

EXPERIENCE/PROJECTS

Sports and Performance Tracking Platform   **Oct 2024 - Dec 2024**

- Designed and developed a centralized Sports Management and Performance Tracking Platform tailored for engineering colleges.
- Enabled students to join teams, monitor performance metrics, and manage training schedules through an intuitive web interface.
- Aimed to enhance student-athlete engagement, streamline sports administration, and promote a vibrant campus sports culture.

Personal Budget Tracker   **Mar 2025- Present**

- Developed a personal finance tool to track income, expenses, and savings with category-based breakdowns
- Designed interactive dashboards and automated reports to visualize spending patterns and budgeting trends
- Integrated historical data analysis and educational templates to support long-term financial planning and literacy
