Karnataka, India

Skills

C C++ Python

Work Experience

JSS ACADEMY OF TECHNICAL EDUCATION
Apr 2025 - Present

Student

Electronics and Communication Engineering student at JSSATE-B, passionate about exploring the intersection of technology and innovation. Interested in IoT, robotics, and circuit design. Always eager to learn, experiment, and work on exciting projects that combine hardware and software

Python C++ C MATLAB

Education

J.S.S. ACADEMY OF TECHNICAL EDUCATION BANGALORE
Aug 2022 - Present

ENGINEERING

Rotary high school
Jun 2019 - Aug 2020

10TH

Hoysaleswara pu collage
Apr 2021 - Jun 2022

12TH/PUC

Projects

JSS ACADEMY OF TECHNICAL EDUCATION
Oct 2024 - Dec 2024

FIRE FIGHTING ROBO

A fire-fighting robot is an autonomous or semi-autonomous machine designed to detect and extinguish small fires in closed environments like homes, offices, or labs. It uses sensors to detect flame or heat and then acts to put out the fire, usually using a fan or water pump

Python

Certifications

JSS ACADEMY OF TECHNICAL EDUCATION
Apr 2025 - Present

Object-oriented Programing onramp

MATLAB

JSS ACADEMY OF TECHNICAL EDUCATION
