Summary

Computer Science student with hands-on experience building web applications using ReactJS, Firebase, and JavaScript. Developed a chat app with secure login and real-time messaging. Skilled in C, Java, and MySQL, with a good understanding of data structures and algorithms. Currently learning full-stack development and exploring system design

Education

JSS Academy Of Technical Education Bengaluru, India   *Bengaluru, India*
Computer Science and Engineering (Bachelor of Engineering)   *Nov 2022 – july 2026*
- CGPA: 7.8/10.0

Tirthankar Mahaveer Vidya Mandir   *Pawapuri, Bihar, India*
Higher Secondary(10+2)   *Apr 2020 – Apr 2022*
- Percentage%: 82/100

Tirthankar Mahaveer Vidya Mandir   *Pawapuri, Bihar, India*
Degree in Matriculation(10th grade)   *Apr 2018 – Apr 2020*
- Percentage%: 74/100

Projects

React Based Chat App Application   *Link* ↗
- Developed a real-time chat application using React and Firebase, featuring a clean and responsive user interface for seamless cross-device usage.
- Integrated Firebase Authentication to enable secure user sign-up and login functionality using email and password.
- Utilized Firebase Firestore to implement real-time data synchronization for instant message delivery and chat updates.
- Designed and modularized reusable React components for messages, chatroom, and authentication flows, promoting maintainability and scalability.
  Technologies Used: ReactJS, Firebase (Auth + Firestore), JavaScript, HTML, CSS

Myresume   *Link* ↗
- Designed a professional resume using LaTeX, with a clean and structured layout tailored for software development roles.
- Organized key sections like Summary, Education, Projects, Skills, and Certifications for clarity and impact.
- Integrated custom LaTeX styling and formatting for enhanced readability and ATS compatibility.
- Hosted on GitHub to enable version control, easy access, and future updates or customizations
  Technologies Used: HTML, CSS, LaTeX, Overleaf

Skills

Technical Skills:

- Programming Languages: C, Java, JavaScript, HTML, CSS
- Tools : Visual Studio Code, Github, IntelliJ IDEA, Microsoft Office, Excel, Canva
- Data structure and Algorithm
- Database: MySQL

Soft Skills:

- Verbal & Written Communication, Leadership & Team Management, Critical Thinking, Logical Reasoning, Decision Making & Problem Solving, Strategic Planning & Execution, Multitasking, Project planning and execution

Certificates

- **Java(Basic)** - **HackerRank** ☑
- **CSS** - HackerRank ☑
- **Artificial Intelligence** -Infosys Springboard ☑
- **Data Structures and Algorithms** -Infosys Springboard ☑
