Karnataka, India

Skills

Java   JavaScript

Machine Learning   C

Data Structures & Algorithms

Education

J.S.S. ACADEMY OF TECHNICAL EDUCATION BANGALORE Mar 2023 - Present
ENGINEERING

B G S English high school Jun 2019 - Mar 2020
10TH

Arvind PU college May 2021 - Mar 2022
12TH/PUC

Work Experience

InternPe Feb 2025 - Mar 2025
Internship at InternPe
I Have completed internship on JAVA Programming

Java

Projects

Jss Academy of Technical Education Aug 2024 - Dec 2024
ENHANCING AIR QUALITY PREDICTION USING MACHINE LEARNING
TECHNIQUES

Machine Learning

Certifications

Infosys Apr 2025 - Apr 2025
Data structure and algorithms using java

Java   Data Structures & Algorithms

Wingspan (by Infosys) Nov 2024 - Dec 2024
Introduction to Artificial Intelligence
Successfully finished a introductory course on Artificial Intelligence, where main
topics included machine learning, natural language processing, and real-world
applications of AI. The course gave a good foundation on AI principles and how to
practically implement them.

Artificial Intelligence   Machine Learning   Problem Solving   data analysis
