OBJECTIVE

Final year Information Science Engineering student with skills in Java, Python, HTML, CSS, JavaScript, and MySQL.Passionate about full-stack web development with strong problem-solving and software engineering abilities.

EDUCATION

• **JSS Academy of Technical Education**   *December 2022- Present*
B.E. in Information Science and Engineering   Bengaluru, India
  ◦ CGPA: 7

• **VES PU College**   *2022*
Pre-University Education   Tavarakere,Bengaluru-562130
  ◦ Grade: 56%

• **VES Model Convent School**   *2020*
Secondary Education-ICSE   Tavarakere,Bengaluru-562130
  ◦ Grade:63%

SKILLS

• **Programming Languages:** C, Java, Python (Basics)
• **Web Technologies:** HTML, CSS, JavaScript, Node JS
• **Relevant Coursework:** DSA, OOPS, DBMS, OS, CN, AI&ML
• **Database Systems:** SQL, MySQL
• **Tools / Platforms:** Git, GitHub, VS Code,Jupyter Notebook

PROJECTS

• **Project A: [Pets Adoption Web Application]**
Tech Stack: [HTML, CSS, JavaScript,Python, SQLite]   [⬤]
  ◦ Developed a full-stack web application to help users to adopt and manage thier pets.
  ◦ Integrates the QR code technology for easy sharing of pet profiles and contact details.
  ◦ provides real-time notifications to pet owners regarding adoption requests.
  ◦ Ensured a responsive design and smooth navigation across pages using clean UI practices.

• **Project B: [Chronic Kidney Disease Detection Using Machine Learning Algorithms]**
Tech Stack: [Python, Machine Learning]   [⬤]
  ◦ Building a machine learning-based system to detect chronic kidney disease using input text and patient's data from a publicly available dataset.
  ◦ Performed data preprocessing, feature extraction, and model training using algorithms like Random Forest, SVM, and Logistic Regression.
  ◦ Focused on improving model accuracy through evaluation metrics and optimization techniques

CERTIFICATIONS

• **Career Essentials in Generative AI by Microsoft and LinkedIn**
• **Networking Basics by Cisco Academy**

ACHIEVEMENTS

• Solved over 100+ questions on coding platform,demonstraing strong problem-solving skills. Profiles -
  LeetCode

EXTRACURRICULAR

• Done the National Cadet Corps(NCC) India, service camp during school.

• Represented college in Inter-College Cricket Tournament under VTU.
